DEADLY CHOICES

Yesterday was 5B’s last Deadly Choices lesson. Throughout the term we have learnt about Chronic Diseases, Nutrition, Harmful Substances, Smoking and Physical Activity. We celebrated our last lesson by receiving some amazing Deadly Choices shirts.

NATIONAL COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY

Collecting data on school students with a disability helps teachers, principals and education authorities support the participation of students with a disability in schooling on the same basis as students without a disability. All Australian Governments have agreed to work together on the annual collection of data on school students with disability. All Australian schools participate in this annual data collection.

FRIDAY JUNE 17 SHOW DAY HOLIDAY! NO SCHOOL ON THIS DAY!

The data provided to the Australian Government is aggregated data only. Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- Number of students in the school who are provided with an adjustment to address a disability;
- Level of adjustments we provide for those students; and
- Broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you are aware of the adjustments being provided to support your child. We will therefore continue to consult with you. While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child's details to be included, please let me know. Information and fact sheets are available to help you make a decision from the:

Department's website:

<http://education.qld.gov.au/curriculum/disability-data-collection.html>

Australian Government Department of Education website:

<http://education.gov.au/nationally-consistent-collection-data-school-students-disability>

Alternatively, if you have any queries about the collection or use

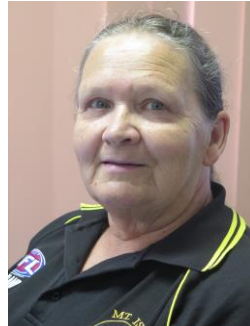

of this data I encourage you to contact me directly.

*Emma Morris -
Head of Special
Education*

TUCKSHOP NEWS

The tuckshop would like to advise they are now selling Spaghetti Bolognese each day for \$2-50 a cup. With the weather hopefully getting cooler this will be a wonderful warm addition to the menu.

A reminder that volunteers are always welcome at the tuckshop - just pop in and see Lisa if you have any spare time and wish to help.

INTERNATIONAL CLEANERS DAY

On Wednesday last week the staff at Sunset cooked a special breakfast as a thank-you to our wonderful cleaning staff here at school. The team work and dedication shown by our cleaners is to be commended and we are sure you join with us in thanking them for the wonderful job they do keeping our school spotless!
