Happy 100 days of Prep

This week marked 100 days of learning in Prep. It is amazing to see how far our Preppies have come in just 6 months of school. Thank you to all the parents and carers who came to school to celebrate this milestone in our Prep learning journey. We enjoyed spending the morning with you.

We are all very proud of the preppies for all of the things that they have achieved. We look forward to the next 100 days!

Mardi Gras Float

This year we will again be entering a float in the Mardi Gras on Friday 12 August. Ms Annette Gordon is co-ordinating this and planning has already begun. Students are encouraged to be involved and Annette will be holding sessions during some lunch breaks for those who wish to participate and help prepare the props. This year's theme is “Love our Land”. Permission notes have been sent home and need to be returned as soon as possible if your child wishes to be involved.

NATIONAL COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY

Collecting data on school students with a disability helps teachers, principals and education authorities support the participation of students with a disability in schooling on the same basis as students without a disability. All Australian Governments have agreed to work together on the annual collection of data on school students with disability. All Australian schools participate in this annual data collection.

The data provided to the Australian Government is aggregated data only. Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- Number of students in the school who are provided with an adjustment to address a disability;
- Level of adjustments we provide for those students; and
- Broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you are aware of the adjustments being provided to support your child. We will therefore continue to consult with you. While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child's details to be included, please let me know. Information and fact sheets are available to help you make a decision from the:

Department's website: <http://education.qld.gov.au/curriculum/disability-data-collection.html>

Australian Government Department of Education website: <http://education.gov.au/nationally-consistent-collection-data-school-students-disability>

Alternatively, if you have any queries about the collection or use of this data I encourage you to contact me directly.

District Athletics

This will be held tomorrow, Friday 22 July at Sunset Oval. Sunset will be sending a team of students and Mr Crow and Miss Coghlan will be supervising. To our students who are competing on that day we congratulate them and wish them all the best.

Pyjama Day Tomorrow!

Wear your pyjamas to school tomorrow and bring a gold coin donation to help raise money for The Pyjama Foundation. Delicious Muffins will be on sale in the parade area from 8am for \$2.

TUCKSHOP NEWS

Specials at the Tuckshop now include:
