ATTENTION BUS PARENTS AND CARERS
Please be advised that afternoon bus runs will cease at the end of this term for all students except Prep and Kindy kids. This has already been regularly advertised in our newsletters this term.

Morning bus runs will not be affected and will operate as they do now.

From Term 3 onwards our buses will not use the bus loading zone at the Front of the school: they will operate from the front of Prep in the afternoons.

Regards,
Bryon

NATIONAL COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY
Collecting data on school students with a disability helps teachers, principals and education authorities support the participation of students with a disability in schooling on the same basis as students without a disability. All Australian Governments have agreed to work together on the annual collection of data on school students with disability. All Australian schools participate in this annual data collection.

The data provided to the Australian Government is aggregated data only. Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- Number of students in the school who are provided with an adjustment to address a disability;
- Level of adjustments we provide for those students; and
- Broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you are aware of the adjustments being provided to support your child. We will therefore continue to consult with you. While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child’s details to be included, please let me know. Information and fact sheets are available to help you make a decision from the:

Alternatively, if you have any queries about the collection or use of this data I encourage you to contact me directly.

**TUCKSHOP NEWS**
The tuckshop would like to advise they are now selling Spaghetti Bolognaise each day for $2.50 a cup. With the weather hopefully getting cooler this will be a wonderful warm addition to the menu.
A reminder that volunteers are always welcome at the tuckshop - just pop in and see Lisa if you have any spare time and wish to help.

**ATHLETICS CARNIVALS – JUNIOR AND SENIOR**
On Monday 20th we held our Junior Athletics Carnival followed the next day by our Senior Carnival. We would like to take this opportunity to congratulate all the students who took pride in their school house, turning up on the day to score valuable points. The winning house for the Senior Carnival was Foots, followed closely by Kruttschnitt then Miles. Special thanks to the staff who came early and helped set up marquees for the day. It certainly was a cool start to the day! Below is a selection of photos from both days.
