ANZAC DAY

ANZAC DAY

Anzac Day was acknowledged at Sunset State School on Monday 24th with a moving assembly held in the front gardens at the school. Students and staff then represented Sunset at the public parade on Tuesday 25th, laying a wreath at the ceremony after marching in the parade. Thank you to staff, students and parents for your support and to Miss Coghlan for her part in the organisation of both events.

Dropping off lunches after 8.30am: POLICY

ALL VISITORS must come to the office.

If you are unable to provide lunch for your child when they leave for school, please drop the lunch in at the office and advise your child before they leave home to come and collect it at lunch time from the office.

We take teaching and learning very seriously at Sunset and know you do to – so thank you for taking note of our request for minimal disruption.

P & C AGM

Parents are invited to the Annual General Meeting of the Sunset P & C Association to be held on Thursday April 27 at 6 pm in the Library.

TUCKSHOP NEWS

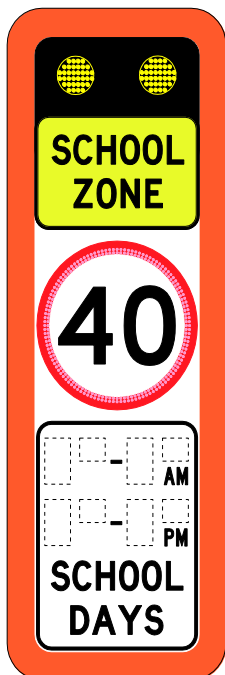

Tuckshop shutters will be closed at 9.30. Late orders will not be accepted and students will have to buy off the counter at lunch times. We do not have the staff or volunteers to complete the lunch orders in time if orders are received after 9.30 am.

Children's accounts are available if parents/guardians would like to put money down for their tuckshop orders. Come and see Lisa to organise an account.

We are still looking for anyone interested in volunteering a couple of hours a week to help in the tuckshop. If you have some spare time, pop up to the tuckshop!

New prices - Cheese Pizzas are now \$2.00 and Fruit Kebabs are 30c.

Flashing lights now active at SUNSET

Shortly flashing light school zone signs will be installed on Abel Smith Parade.

Sunset was nominated to receive these new signs as part of a Queensland Government commitment to improve school road safety.

You will notice that the new signs look similar to standard school zone signs with the addition of a red flashing ring around the speed limit as well as two flashing yellow lights at the top of the sign. The installation of flashing light school zone signs is proven to improve visibility of school zones, serving as an active reminder for motorists to slow down.

So next time you're dropping off or picking up your child, keep an eye out for the new signs and make sure you stick to the signed speed limit.
